Sustainability Factors – Insurance Based Investment Products (IBIPs) & Pension Advice

When providing advice, the firm does not consider the adverse impacts of investment decisions on sustainability. The firm does not intend to consider such impacts in the future.

REASON:

The size, nature and scale of our activities when providing Insurance Based Investment advice and Pension Investment Advice.

Such advice is provided on a ‘limited analysis of the market’ and as such my advice is limited to Irish Life and Zurich Life.

Both of these companies incorporate ESG (sustainable investment) factors into their investment process. Irish Life provides specific ESG funds.

If you wish to specifically consider ESG funds, I can provide such advice.
